The fixing of the amount to be ~~deducted~~ drawn in the applicant's pension under art 337 (B) of the M.S.R.

The omission of his service from 18th to 20th Aug 1887, as the privilege leave he was given during this period is not admissible under art 260 of the C.S.R.

The commutation of the period of a day during which he was absent without leave into leave without allowances under art 291 C.S.R.

As regards (1) it is reported that the applicant was reduced twice, once on 1-5-1883 from Rs 18 to Rs 15 & secondly on 16-5-1884 from Rs 15 to Rs 8/- for mistakes in boundary marks discovered by

classes, and his character is reported to be Satisfactory. Whether under the circumstances any reduction should be made in the main pension, and if so by what amount, are points for consideration and orders. It is not however clear why the acceptance of the main British share of pension should depend on the decision of the point ~~in~~ above referred to, so long as his service under that Govt was unblemished

11 As regards (2) it may be stated that as the applicant was during the period referred to in the service of the Mysore Govt and as the privilege leave in question has been given under the provisions of the M.S.R, the necessity for declaring the same inadmissible under the C.S.R is not apparent

12 As to the commutation referred to in (3), may we state in reply that the Durbar ~~case~~ have sanctioned the commutation? whether a G.O. should be separately passed & a copy of it sent to the Ch. Com^r is a point not clear.

With reference to Mr Balasundaram Iyers letters Dis Nos 911 and 913 dated the 9th and 12th July 1908 respectively regarding the proportionate shares of pensions payable to Ramachandra Narasimha Despande and Vinayak Divekar, late employés of the Mysore Revenue Survey on account of temporary service rendered by them in Coorg in 1888, I am directed to observe that the shares debitable to Imperial Revenues in these cases only amount to annas three and annas eight and pies seven per mensem respectively and to suggest for the consideration of the Durbar the principle enunciated in article 799 of the Civil Service Regulations by which when a pension is payable from ~~either~~ two sources and less than one fourth of the pension would be payable from either sources the whole pension to be borne by that which the larger portion is debitable.

Dated Bangalore, the March 190 9

SIR,

Adverting to your letter No.109 dated the 16th January 1909, I am directed to state as follows:-

As Vinayak Jeevaji Divikar rendered service of Rs.10 from the 1st August 1869 to the 7th March 1870, under the Durbar, the pension rules of the Durbar have to be applied in respect of it. Accordingly the said service is treated as superior under article 275 Mysore Service Regulations. His service from 11th August 1877 to 5th October 1878 has been verified by the statement of the applicant and also by those of his contemporary officials as per -- article 490(e) of the Mysore Service Regulations (corresponding to article 908(e) of the Civil Service Regulations) and the same established and admitted accordingly.

2. The Durbar consider that Ramachendra Narasimha Desponde has been sufficiently punished for his carelessness by the reduction of his pay and they do not

consider that any reduction of his pension is called for. The privilege leave granted to him from the 1st to the 20th August 1887 is admissible according to the rules of the -- Mysore Revenue Survey Department (extract enclosed) which were then in force and it has accordingly been included in the calculation. The one day's absence without leave in his service is commuted into leave without allowances under 291. Mysore Service Regulations.

3. The pension papers of the two men received with your letter under reply are herewith returned.

I have the honor to be,

Sir,

Your most obedient servant,

Finl.Secretary.
